ABOUT ME

- Creative and hardworking
- Organised and a bit of a perfectionist
- Loves to learn

I am very passionate about art and design, and I love being creative and finding new solutions to different problems.

I am very thorough and I believe in doing my work properly and making sure everyone is happy with the result.

In my spare time like being creative and I spend quite a lot of time working on my various creative projects (which can be everything from bookbinding, oil painting, digital or traditional drawing to composing on the piano). When I have the time I like spending my evenings with a cup of tea and a good book.
